

Final Report

MFH Capacity Building–Technical Assistance Grant Project

According to the contract agreement, the grantee will furnish a final report. The final report should be no more than (4) pages and will include a narrative report and a financial statement reporting expenditures according to the approved proposal and grant amount.

The narrative report should answer the following questions:

1. Did you accomplish all of your project objectives? If no, please explain why and detail the underlying circumstances that impacted your progress.
2. Were there any challenges to the completion of your project as outlined in the proposal? If yes, please explain those challenges and how you were able to address them.
3. Were you satisfied with the work performed by your consultant? Include information on any deliverables provided or products created. If no, please explain the degree of and reasons for your dissatisfaction.
4. Did you realize any organizational learnings and acquire any new skills. Please specify.
5. To what extent do you see the consultation impacting your organization's capacity and sustainability in the long run? Please specify.
6. What additional resources or supports could have been provided by the program that would have been helpful to your project?
7. Are the overall outcomes of the project what you anticipated at the outset of the project? Please explain why or why not.
8. Are there any other thoughts or suggestions you would like to share about your experience?
